Amendments proposed by Senator Amedee to Engrossed House Bill No. 1476 by Representative Harrison

AMENDMENT NO. 1

Delete Senate Committee Amendment No. 1 proposed by the Senate Committee on Environmental Quality and adopted by the Senate on June 3, 2010.

AMENDMENT NO. 2

On page 1, delete lines 14 through 20 and insert the following:

"(9)(a) To promulgate regulations, prior to July 1, 2011, for all applicants specifying emergency response requirements that shall include the preparation of an emergency response plan for any applicant seeking a permit to process or dispose of solid waste and shall provide that the requirement for an emergency response plan is satisfied by the applicant's demonstration that it has the ability to meet the response requirements of the applicable sections of the National Fire Protection Association.
(b) All potential applicants who seek to obtain a permit to process or dispose of solid waste shall be required to file an emergency response plan, in compliance with the promulgated regulations, as a special structures plan review with the state fire marshal. No application for a permit to process or dispose of solid waste shall be filed with nor accepted by the department prior to the applicant obtaining approval of the emergency response plan from the state fire marshal's office. The requirements of this Subparagraph shall not apply if the applicant has demonstrated its ability to meet the response requirements of the applicable sections of the National Fire Protection Association.
